CATERING APPLICATION

SELWOOD STEAM & VINTAGE VEHICLE RALLY

Greenhill Fields

Southwick, Nr Trowbridge

SATURDAY 25TH – MONDAY 27TH MAY 2019

About Us

Since Selwood Steam's first rally in 1973 the show has covered several different sites across Somerset and Wiltshire. The first show boasted numerous attractions such as steam engines, vintage tractors, commercial vehicles and much more. Even today we look to improve the show year on year and increase attendance from both exhibitors and the public.

Showground & Location

The showground can be found in Southwick Nr Trowbridge, the county town of Wiltshire. Based off of the main route from Westbury to Frome the site is well signposted and is surrounded by several large towns.

The showground is a 35 acre site with on-site public parking, mains water supply and one main internal hard road.

The Show

These days the show attracts exhibitors from far and wide. Some of the main attractions include, steam engines, working steam, tractors, commercial & military vehicles, a good selection of trade stands, horticultural collections, model collections, classic cars & motorcycles, well stocked beer tent, entertainment from Friday evening to Sunday evening with a good variety of bands and acts, working tractors displays and a funfair. Each year we make a donation to a chosen charity. We have managed to donate over £7,000 to CLIC Sargent through charity steam trailer rides and the profit raised from holding the event over the last 3 years. The entry prices also reflect the not for profit nature of the rally at just £8 per adult, £6 OAP and £4 per child over the age of 5.

The 2018 show was another good year for attendance over all 3 rally days. Over 3,500 people visited the show on top of the 350 plus exhibitors on site. We are pleased to announce that attendance figures have been rising annually over the last several years.
